The profile edit page is displayed. Confirm that your first name, surname and email address are correct (change them if necessary). Set [Letter Size] here if necessary.

The screenshot shows a profile edit page for a user named 'Rin Eipu'. At the top, it says 'Please confirm/edit the contents, and click the "Update profile" button below. Please be sure to input items with * marks.' Below this is a section titled 'General' with a dropdown arrow. It contains three input fields: 'First name' with the value 'Rin', 'Last name' with the value 'Eipu', and 'Email address' with the value 'test20240513@example.com'. Each field has an information icon (i) and a warning icon (!). A red box highlights these three fields. A callout box points to them with the text: 'Check these settings and modify them if necessary. Register an email address currently available.' Below the input fields is a link that says 'How to set Email address (Click to display)'. At the bottom, there is a 'Letter size' section with a dropdown menu currently set to 'Default'. A red box highlights this dropdown, and a callout box points to it with the text: 'Change the letter size here if necessary.' In the top right corner, there is a link that says 'Expand all'.

At the first login, confirm that the registered email address is correct.

- Make sure to register using an email address currently available. You must be able to receive emails to reset password, e.g., if you have forgotten your password. (Refer to "[4 Troubleshooting](#).")

How to set Email Address

- Enter an e-mail address currently available.
- An e-mail address already registered on the system cannot be used. An error occurs if the email address you set is already registered on the system. If this happens, use a different email address.
- When you change the e-mail address and press the [Update profile] button, a [confirmation e-mail](#) will be sent to your new address. You must click the link in the e-mail to complete the change.

If you don't receive the e-mail, you might have entered an incorrect e-mail address. In that case, contact the grade administrator of your institution /department.

Scroll down the profile edit page until the [Course etc] is displayed.

2 Taking a Course and Having a Course Completion Report Issued

2.1 Taking a Module

Log in to the system and display the main menu. Check “COURSE OF PARTICIPANTS.”

The screenshot shows the APRIN e-learning program main menu. The user is logged in as Rin Eipu. The menu includes sections for REGISTERED INFORMATION, ANNOUNCEMENTS FROM APRIN, and COURSE OF PARTICIPANTS. The COURSE OF PARTICIPANTS section is highlighted with a red box. A callout box points to the COURSE OF PARTICIPANTS section, stating: "The course available period is displayed. All modules in the course must be completed within the available period. The courses without an available period are displayed “—”". Another callout box points to the course name, stating: "Name of the selected course.". A third callout box points to the course details, stating: "The study status of each module is displayed using egg and chick icons.". A fourth callout box points to the modules list, stating: "These are the modules necessary for course completion.". The course details show the course name, available period, and remaining modules. The modules list shows three modules with their study status indicated by egg and chick icons.

The course available period is displayed. All modules in the course must be completed within the available period. The courses without an available period are displayed “—”
